Trip Overview

Vero Beach, Florida

Vero Beach is located in the Southeastern part of Florida. It is a beach town known for its art, and also for its recreational opportunities.

Lodging

We will be staying at Epic Missions Incorporated's Complex in Vero Beach. Epic Missions owns 16 acres of property, just a few blocks away from the beach, complete with air conditioned facilities, soccer fields, basketball courts, as well as an outdoor pavilion where we will have program every night. Our kids will be staying in air-conditioned bunkrooms, in pillow-topped twin bunk beds, with showers in each of the bunkrooms. Epic Missions will not provide bedding, so your son or daughter will need to pack those. We will stay there for 5 nights. We will also stay at a church in Orlando where we will be sleeping on the ground, so we will need to bring a sleeping pad/ mat or air mattress.

Worksites

The students will be separated into 4 work groups. Each group will comprise of about 10-15 students and 2-3 leaders. Each group will go to a different work site each day so as to give every group the opportunity to see everything. Our students will work at soup kitchens and food banks, help to lead Vacation Bible School with a local church, serve at Habitat for Humanity, work at Shining Light Garden (a garden that helps to serve the needy), as well as other community projects.

Safety and Emergency

We don't believe there are any safety issues other than the normal issues you would find on any trip. The projects Epic Missions have set us up with have all been approved by the organization and we will have multiple adult leaders at each site. The facilities we are staying in are located on Epic Missions property and we will be the only group staying on this site.

Food

Each Meal will be provided by Epic Missions. Lunch we will eat on site (typically sandwiches, adjustments can be made for people with dietary restrictions). There will be plenty of water at work sites and the host church. Students should bring a water bottle to carry with them at all times.

Weather

Vero Beach's average temperatures range in the 80's and 90's in the months of June and July.
