

Application for Seminary Scholarship *Permanent Fund Ministry*

Background – The Permanent Fund Ministry of First Presbyterian, Houston

The Permanent Fund Ministry (PFM) of First Presbyterian Church of Houston (FPC) is responsible for the stewardship of the Church's endowed funds. The PFM prayerfully makes decisions about how best to administer the gifts people have given to our church, being careful to honor the guidelines that accompany many of these gifts. The PFM is a standing committee of the Session, and therefore operates in accordance with policies established by the Session. The PFM oversees the investment and administration of the Church's endowment funds and donates the real earnings therefrom to worthy causes. More specifically, the PFM directs the investment of all funds received as endowments, overseeing fund account maintenance, awarding funds to undergraduate college and seminary students, and granting funds to organizations engaged in Christian endeavors, particularly to organizations that meet human needs. To accomplish its mission, the PFM operates much like a foundation.

Information Regarding Seminary Scholarship Grants

In order to be considered for a Seminary scholarship or grant, an application must be completed and received by the PFM by one of the three submittal dates

- June 1 for the fall school session
- November 1 for the spring school session
- April 1 for the summer school session

Seminary Scholarship grants will be awarded in accordance with the following monetary ranges:

- Seminary student scholarship grants not to exceed \$7,500 per academic year, not to exceed \$30,000 in the aggregate for any one applicant.

The following requirements must be met in order to receive a scholarship grant:

- Completed Application for Education Scholarship form (this form), with supporting financial documentation (Free Application for Federal Student Aid form, tax return, income/expense analysis for student). All financial information will be kept confidential.
- High school transcript for college freshman and college transcript for each succeeding semester of undergraduate and seminary work indicating that the applicant is in good standing at the college, university or seminary at which he or she is enrolled.
- Progress report per term at the seminary where the applicant is enrolled.

Scholarship grants will be approved on an annual basis but will be funded by term or semester.

Seminary students will be notified with each disbursement that they must write a brief summary of their current term experience and attach a transcript of related grades before further disbursements will be made.
