AT FPC HOUSTON

**Welcome,**

We are so glad you are considering FPC Houston to be a part of your wedding day. Our goal is two-fold. First, we want to encourage and guide you to start your marriage on a Christian foundation. We wholeheartedly believe that Christ is our only hope in life, and a couple needs to rely on him to gain the strength and love required in a marriage relationship. Secondly, we desire to make your wedding day a blessing to you. We want to be helpful, and do our best to ensure your day goes smoothly. A member of the Hostess Team will direct the rehearsal on Friday night and take care of all things church related on Saturday for you.

If at any point you need to talk with a pastor or staff member, please contact us. We are looking forward to being a part of your engagement and upcoming wedding!

**WEDDING COORDINATOR/CONTACTS**

The Wedding Coordinator provides assistance and advice in planning your wedding ceremony. She is your first contact to confirm rehearsal and wedding dates and times. She meets with you and those assisting in the planning process to finalize arrangements in the weeks prior to your wedding.

The following are the names and contact information of the staff connected with your wedding. Please feel free to contact them for any questions regarding your wedding.

Wedding Coordinator	Ashley Morris	amorris@fpchouston.org	713.620.6480
Organist	Dr. Rhonda Furr	rfurr@fpchouston.org	713.620.6438

**CEREMONY TIMES**

The sanctuary and chapel are available for weddings on Saturday, with start times between 11 am and 6:30 pm. For weddings post 6:30 pm, a \$500 surcharge will be applied. No weddings are allowed to start later than 7:30 pm.

**THE REHEARSAL**

We offer 5:00 or 5:30 pm rehearsal times. The Pastor and/or Wedding Hostess will guide the wedding party through the rehearsal. The rehearsal will begin on time and last 45-60 minutes. We advise you to have your wedding party convene 15-30 minutes before the scheduled start time.

The wedding cannot be performed without the church being in possession of the license. Please give your marriage license to the Wedding Hostess at the rehearsal. She will have the Pastor(s) sign the license, and mail it back to the County Clerk.

## PASTOR

Guest clergy of like faith and approved by a FPC pastor are welcome. Name and contact information of any guest clergy must be submitted to coordinator and officiating pastor 90 days prior to wedding date. The FPC pastor in attendance is the host and primary officiant, and must approve all participants' roles in the service. Any guest pastor will follow the FPC Order of Service unless a change is approved by the FPC pastor. Also, please be aware that we do not serve Communion at weddings.

The FPC pastor will receive an honorarium out of your payment to FPC. If you include guest clergy, note that they will not be paid by FPC.

Please note that individual pastors generally do not commit their schedules further than six months in advance. Should the officiant of your choice not be available on your wedding date, we have several others on staff, and we will be sure to find a suitable replacement.

## COUNSELING

It is expected that you attend at *Looking Toward Marriage*, a six-week series designed to be helpful and relevant to you in preparation for marriage. It is a Sunday morning class, held in the Fall and Spring. Pastors and laypersons with particular expertise in the topic being presented teach these classes. Claudia Stewart (astew1030@aol.com) will contact you with class details. If there is a scheduling issue, you must agree to enroll in an equivalent class through a faith based organization.

The Pastor officiating at your wedding will meet with you before the ceremony to conduct marital counseling and a discussion of the meaning of Christian marriage. Each Pastor may require a different number of counseling sessions. All sessions should be scheduled within 90 days of the wedding date.

## PROGRAMS

Each couple is asked to submit a printer's draft of their Wedding Program to the Wedding Coordinator and Organist *no less than one month* prior to the wedding date. This is to help ensure all musical compositions and composers are listed correctly, and that your programs are an accurate reflection of current etiquette.

The Standard Order of Service, included in your Wedding Folder, serves as a template for your program. The Standard Order of Service is in no way definitive; it is merely a suggested outline including all of the elements of the Presbyterian Wedding Service. You will discuss your program with your FPC pastor, and he will work with you to personalize your service so that it is reflective of your needs and characteristics as a couple, with the guiding principle that your ceremony is first and foremost a worship service.

## MUSIC

All ceremony music must be appropriate to Christian theology and Reformed Presbyterian worship. The enclosed CD and booklet on wedding music are an official part of this policy, and will aid considerably in your ceremony planning process.

Rhonda Furr, the church Organist, performs two duties for weddings. First, she serves as your staff contact for all questions, changes and authorizations regarding music. Second, as the Organist of the church, she plays the organ for all weddings at which organ music is desired.

If you do not wish to use the organ, it is especially important to notify Dr. Furr at least 90 days prior to the ceremony. Whether Dr. Furr plays for your wedding or not, she is your sole staff contact for all music matters and should be kept informed directly of all changes.

Please contact Dr. Furr at 713.620.6438 or rfurr@fpchouston.org.

## OFF CAMPUS VENDORS

As you engage the services of ceremony vendors, please provide the Wedding Coordinator with those names and contact information. In addition, vendor disclaimers are required from any persons (commercial entity or family friend) participating in that capacity on our church campus. Vendors who do not provide the appropriate disclaimers within the designated time frame will not be allowed to participate.

Off-site wedding coordinators are considered an invaluable resource for your non-church related needs, and are welcome to accompany you to any planning meetings with the church, as well as the rehearsal and ceremony. We respectfully request that any off-site coordinators allow the church Wedding Coordinator to conduct the rehearsal and ceremony.

All vendors are allowed onto the FPC campus three (3) hours prior to the ceremony start time and must be cleaned up within two (2) hours of the ceremony start time. If different arrangements are necessary, the vendor must contact the Wedding Coordinator at least one week prior to the wedding.

**The following vendor addenda must be signed by your off-campus vendors and returned to the Wedding Coordinator no later than 30 days prior to the ceremony.**

## WEDDING PHOTOGRAPHY

The wedding service is a worship experience and must be treated with due reverence.

### **Photographers:**

- No photography is permitted in the Sanctuary once the prelude begins and the guests are being seated.
- No flash photography is permitted during the ceremony.
- No automatic film advance is allowed, due to noise.
- The photographer is permitted to take photographs from the Narthex or very back of the Sanctuary at the beginning of the ceremony as the bridal party proceeds down the center aisle of the church, and as the bride and groom leave the altar after the ceremony is over. The Wedding Coordinator will indicate the appropriate position, based upon where guests are seated.
- During the entirety of the service, (Welcome--Presentation of Couple) all photographers must take photos from the Sanctuary balcony. Violation of this stipulation may provide cause for the photographer to be asked to leave. Segments of the service are easily recreated for pictures after the recessional and before the reception.

Photographers are welcome at FPC three hours before the start of the ceremony and must be finished within one hour of the ceremony's conclusion.

### **Family and Friends:**

We ask that guests inform family and friends that we prefer non-flash photography and desire that they conduct themselves in a manner of respect for the worship service that is occurring.

**It is the responsibility of the bride and groom to inform the photographer and guests of this policy.**

## WEDDING VIDEOGRAPHY

The wedding service is a worship experience and must be treated with due reverence.

If outside professionals or family friends are to videotape the service, the following must be observed:

- The Wedding Coordinator must be informed of the person's name and all contact information (commercial entity or family friend) and be in possession of the signed vendor disclaimer.
- Only First Presbyterian Church staff may move church equipment.
- Outside vendors must set equipment in areas specifically designated by FPC Media staff.
- Once the prelude begins moving about in the Sanctuary is prohibited.
- The videographer is permitted to take video from the Narthex or very back of the Sanctuary at the beginning of the ceremony as the bridal party proceeds down the center aisle of the church, and as the bride and groom leave the altar after the ceremony is over. The Wedding Coordinator will indicate the appropriate position.
- Once the bride has reached the front of the Sanctuary, all videographers must record from the Sanctuary balcony for the entirety of the wedding ceremony (Welcome—Presentation of the Couple).
- You may place UNMANNED cameras in the organ bay at the back of the Chancel or other designated video spots, if coordinator and pastor agree they are unobtrusive (i.e. GoPro), and the placement does not require moving any FPC equipment. These cameras MUST be in place 30 min prior to the start of the ceremony. Please check here if this WILL be happening so our media team can be aware. \_\_\_\_ (If left unchecked, unmanned cameras will NOT be allowed day of the wedding.)
- No special lighting is allowed.
- We offer an audio feed via XLR or 1/4 cable for H4n or H6 recorders. Any cables and adapters needed to get the feed to the videographer's equipment must be supplied by the videographer.

If the videographer has additional questions, he/she can contact our Media Coordinator at [media@fpchouston.org](mailto:media@fpchouston.org).

## FLOWERS

Each couple is responsible for making the arrangements for flowers and décor. Vendor contact information must be provided to the Wedding Coordinator.

Either the florist or a member of the wedding party is responsible for making arrangements for delivery and break-down. The Chapel and Sanctuary are rooms for worship and décor should be a reflection of that.

### Chancel

**For any décor beyond two freestanding floral arrangements, a plan from the florist must be submitted to the Wedding Coordinator for her approval and that of an FPC pastor.**

No additional lighting may be used. No flower arrangements are allowed on the communion table nor are there to be any obstructions of the view of the cross on the communion table. No decorations are allowed on the Pulpit, Lectern, Chancel railing or pews. All candles used in the Chancel must be in votives.

### Sanctuary Floor

**Décor is limited to pew decorations that can be secured with non-scratch clips or ribbons. Dropping artificial rose petals in the center aisle is allowed.**

No floral or swag arrangements will be allowed to block any entry to either end of the pews on the Sanctuary floor. No standing decorations or candelabras (free-standing or affixed to pews) are allowed on the floor of the Sanctuary. All flower arrangements must be watertight. Artificial rose petals may be used in the building (i.e. flower girls).

### Narthex and Outdoors

**Candles in votives and guest table watertight floral arrangements are allowed in the narthex. Natural rose petals or bubbles may be used outside for the couple's exit (no rice, birdseed). A plan for additional greenery or arrangements in narthex or outside must be submitted to and approved by the Wedding Coordinator.**

**Following the wedding all flowers, greenery, bows, etc. MUST be removed by the florist or wedding party within 2 hours of the end of the ceremony.**

*Please note, FPC is not liable for any floral arrangements or floral containers left behind or damaged.*

*The FPC Flower Guild schedules all Sunday morning floral arrangements. If you desire to donate the wedding flowers for the following morning's worship service or for placement in another area of the church, contact the wedding coordinator.*

## **MEMBERS OF THE WEDDING PARTY**

FPC is a 100% smoke and alcohol free campus.

Members of the wedding party are also specifically prohibited from the use of alcoholic beverages immediately prior to the rehearsal and the wedding. Under no circumstances will anyone under the influence of alcohol be permitted to take part in the wedding rehearsal or ceremony. The bride and groom should make this expectation known to all members of the wedding party.

The Bride's Room, Family Room and Library are reserved for the use of the wedding party for three (3) hours prior to the ceremony and for two (2) hours from the ceremony start time. If more time is needed, please contact the Wedding Coordinator asap.

Your personal possessions may be kept in the reserved rooms your time at FPC, but only at your own risk. You must be responsible for cleaning out personal items from these rooms after the ceremony. In addition, we ask that a member of the bridal party be selected to take charge of any wedding gifts brought to the wedding. The Wedding Coordinator will not accept responsibility for any gifts, articles of clothing (including the bride's dress), or any personal effects left in the church.

Although the inclusion of children as a part of the wedding party is allowed, the age and maturity of the child should be considered. Any child under the age of six (6) must be in the care of a responsible adult chaperone in the Narthex prior to taking their turn in the wedding processional. The Wedding Coordinator will not assume responsibility for care of these children.

## **WEDDING ATTIRE**

As this is a ceremony to be sanctified by God, we request that all wedding party attire be appropriate to a worship service. Ladies' garments should afford the proper coverage as well as be adequately lined. Should you have any questions regarding appropriate dress, please contact the Wedding Coordinator.

## **RECEPTIONS**

Fellowship Hall is available for wedding receptions and/or rehearsal dinners (no alcohol is allowed). More intimate venues on the church campus are available for smaller receptions as well as bridal party luncheons, teas and bridal showers. Please contact the Wedding Coordinator at [weddings@fpchouston.org](mailto:weddings@fpchouston.org) or 713.620.6480 for more information.
