Presbyterian School Update

Parent Ed Night: The Birds and the Bees | Saturday | Feb 2 | 5pm | Fellowship Hall

Presbyterian School is partnering with First Presbyterian Church to bring Megan Michelson with The Birds & The Bees to lead a live program that encourages and equips parents to have age-appropriate conversations with their young children about sex. Where do babies come from? How is that baby going to get out of there? The Birds & The Bees encourages parents to answer these questions when their kids are asking them in order to create a foundation for future conversations. The event is open to the public. Free childcare is available, but space is limited. Reserve childcare by emailing names, ages, and additional information such as allergies to childcare@fpchouston.org. Reservations must be received by Monday, January 28. Your reservation is complete when you receive a confirmation email.
