

Key Updates & Reminders | May 16, 2019

**HELP US FINISH STRONG!**

Our current fiscal year ends this month and we still need your assistance for a strong finish. As we await the rollout of our new stewardship model in the fall, we ask that you continue (or prayerfully increase) your current level of giving to ensure we cover financial obligations until that time. God is doing special things in and through FPC and it is our prayer that the many ways we come together to serve Him on campus, in Houston, and around the world not be interrupted.
