SUNDAY SCHOOL
& SMALL GROUPS

These Sunday morning co-ed classes (20–80 people) equip Covenant Partners through focused teaching and discussion. These classes are meant to be a place for guests and members to get to know one another as they study God’s Word. Sunday School classes begin at 9:40 AM unless otherwise noted.

Small Groups

These co-ed or gender-specific groups (10–20 people) provide a space for more intimate relationships where people can grow in community through prayer, accountability, and Bible study as they learn to go on mission together.

CORE SUNDAY SCHOOL CLASSES

Intersections (Inter-generational Class)
Singles and Married | All Ages | Mini-Gym
Intersections is a multi-generational class with the goal of supporting FPC’s Vision. Through class discussion and interaction, we focus on Bible study and the mission of FPC to take the Gospel to Houston and to the world.

Basic Training in the Bible (Inter-generational Class)
Singles and Married | All ages | Fellowship Hall
Have you ever wondered how to study the Bible? It can often feel like you are trying to understand a story from a completely different culture in a completely different language in a completely different era. That’s because you are! Led by Pastor Andrew Stepp we will dive deeper into God’s Word and learn how to read and interpret it faithfully. We will look at how to study books as a whole, analyze characters and themes, and even dig into some of the more bizarre and provocative stories.

The Table (Young Adults)
College Students, Singles, Married, Married with Kids
Ages 20s–30s | FH 156
Join other college students, singles, marrieds, and married with kids at FPC as we seek to grow in Christ by reading Scripture, eating, and praying together.

Boomers
Singles and Married Ages | 55 & older | 9:30 AM | Living Room
Join other baby boomers who want to grow together in faith, build trusting bonds of friendship, serve the needs of others, and have fun along the way. This class offers Bible-based teaching, group interaction, and small group discussions. Along with studying Scripture, we meet socially for various activities ranging from dinners for eight, Sunday brunch after church, to plays and holiday events.

Cornerstone
Parents of All Ages | 9:40 AM | Solarium
Led by Rev. Jon Crantz and Rev. David Augustus, our goal is to equip and encourage all members of this Sunday School community to grow in their discipleship to Jesus Christ. The most important aspect of raising children to know Christ is parents who are growing in their faith. This community will focus on biblical, Christ-centered teaching and intentional fellowship throughout the week. Each Sunday morning, we will have a singular focus of applying the teaching of Scripture to our everyday lives as followers of Christ.

The 11:05 service is beginning a new season. We’re continuing in the values that this service has always held—centrality of the Gospel, strong community, casual environment, and the care for discipleship and mission—and we’re implementing some new practices to help us better lean into those values, with the conviction that the things we do in corporate worship are formative for us. Our seating is arranged “in the round,” an intimate setting that promotes community and participation in the service, and that emphasizes the proclamation of the Gospel as the center of our worship. We’re increasing opportunities for all ages to participate in the service, with prayers and scripture readings led by congregants, along with songs that prioritize congregational singing and our practice of weekly Communion and prayer partners. We’re also engaging the church’s historic worship traditions in our weekly liturgy and in marking the seasons of the church year together. Come join us in worship at 11:05 in Grand Hall.
