

*Romans 1:18-20*

<sup>18</sup> *The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, who suppress the truth by their wickedness, <sup>19</sup> since what may be known about God is plain to them, because God has made it plain to them. <sup>20</sup> For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.*

Discussion Questions*

1. How does the answer to the question of God's existence affect a person's life and choices?
  2. Which of the three evidences of God's existence (creation, moral law, Jesus Christ) is most important and why?
  3. How do science and faith connect in wrestling with this question?
