

# GENESIS

## Reading Plan

Our new study, *Beginnings*, broadly surveys the book of Genesis, presenting us with the beginnings of creation, faith, and redemption for God's people. We see how God begins to reveal himself to His people and redeem them from the consequences of their broken desire to "be their own gods." Genesis is a story of God at work in the lives of flawed yet faithful people who slowly grow in their understanding of God and their calling to be a blessing to the nations: a story still playing out in our own lives.

To deepen your reflection, visit our [FPC channel on RightNow Media](#) to watch the accompanying series by Pastor Charlie Dates.
