

While we are studying Luke in this sermon series, let's read the gospel of Luke from start to finish. Statistically-validated studies by the Center for Bible Engagement have shown that reading the Bible four or more times a week is the positive tipping point in our journey to become more like Jesus. People who read the Bible four or more times a week are 228% more likely to share their faith with others and 231% more likely to disciple others. So let's get reading! As you read, pay attention to Luke's special emphasis on the Holy Spirit, prayer, and joy.

Here are two great RightNow Media resources to guide your study: for the big picture, see The Bible Project's <u>How to Read Luke Part 1</u> and <u>How to Read Luke Part 2</u>.

To watch 3-4 minute videos on each chapter, see the Spoken Gospel's <u>Jesus in All of Luke</u>.
