

Friends,

Just a few a few updates before getting into this week's activities and events:

> **Share Your Perspective.** We are asking members of our community to provide their input through a survey about FPC Houston (performed by Transforming Church Insight). This tool gathers insights on topics that are important to our leadership and its results will help guide future decisions regarding our church. The survey should take 20-30 minutes and your responses are confidential. To complete the survey now, click [HERE](#) and use the password **fpchtx**. As always, your input matters!

> **Extended Garage Parking Hours.** The MFAH has permanently extended complementary parking in the MFAH Glassell parking garage for FPC's Sunday morning worship services until 2 PM. Please enjoy the additional hour.

As we move into the last weeks of July, there are many upcoming opportunities to deepen your prayer time, grow in faith, and gather in community and service.

Please read on for more on life at FPC this week...

He Guides Me Along Right Paths... In this week's study, we reflect on what it means to be guided by the Good Shepherd along the right paths for His name's sake. We are prompted to answer questions such as "Why do we need a Shepherd?" And "How has this Shepherd guided you in your life and faith journey?"
