

Application for Education Scholarship

Grant and Scholarship Team

Background—The Grant and Scholarship Team of First Presbyterian of Houston

The Endowed Funds Grants and Scholarships Team (GST) of First Presbyterian Church of Houston (FPC) is responsible for the stewardship of the amounts allocated by FPC's Session for expenditure from the Church's endowed and quasi-endowed funds. The GST prayerfully makes decisions about how best to administer the gifts people have given to our church, being careful to honor any guidelines that accompany these gifts. The GST is a Ministry Team reporting to the Senior Pastor and operating pursuant to a charter established by the Session. The GST's mission is to utilize Session-allocated funds (1) to grant scholarships to undergraduate college and seminary students and (2) to grant funds to organizations engaged in Christian endeavors, particularly to organizations that meet needs of the most vulnerable in our community.

Information Regarding Undergraduate Scholarship Grants

To be considered for a scholarship or grant, an application must be completed and received by the PFM by one of the three submittal dates:

- June 1 for the fall school session
- November 1 for the spring school session
- April 1 for the summer school session

Scholarship grants are based on merit and need in the following monetary range:

- Undergraduate student scholarship grants up to \$7,500 per academic year, not to exceed \$30,000 in aggregate.

The following requirements must be met to receive a scholarship grant:

- Completed Application for Education Scholarship form (this form), with supporting financial documentation (Free Application for Federal Student Aid form, tax return, income/expense analysis for student). All financial information will be kept confidential.
- High school transcript for college freshman and college transcript for each succeeding semester of undergraduate work indicating that the applicant is in good standing at the college or university at which he or she is enrolled.
- Progress report per term where the applicant is enrolled.

Scholarship grants will be approved on an annual basis but will be funded by term or semester.

Students will be notified with each disbursement that they must write a summary of their current term experience and attach a transcript of related grades before further disbursements will be made. Scholarship award payments are made payable directly to the Institution.
